Dear Mr Robson

Many thanks for your letter to John Thurso MP, which has been passed to me.

I strongly agree with you about the inequity in pension provision for those who retired from the Armed Forces before 1975. I believe that those who were willing to give their lives for this country should be treated fairly in retirement and feel that the present situation is an unacceptable injustice.

Thank you once again for writing. Please rest assured that Liberal Democrats will continue to support fair treatment for our servicemen and women.

*Yours sincerely,*

Nick Clegg MP
