Dear Sir/Madam

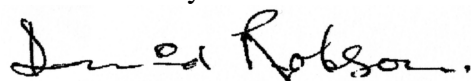

'Have your Say'

Now come on Mr Cameron and Mr Clegg with your ideas of the 'Big Society' and 'We are all in this together'. Well all except some of course. You know, the 'Sleepy Heads' with a 'Ticket to Ride'. The ones who were lucky enough to go through University before any fees were introduced to be paid, or repaid, by individuals. The ones who are already, as a consequence, enjoying incomes of £40,000 per annum or more, or more, or more !

According to your philosophy of 'We are all in this together' – Now is 'Pay Back' time ! Not only to relieve today's young students of astronomical fees, but also today's 'Alarm Clock Taxpayers' who will be required to foot the bill for many years to come. This would also close that ever widening gap between the extremely well off 'Elite Establishment' and their big fat bonuses, and give my generation a token of thanks and gratitude for the contribution we made to their good fortune at our expense.

Of course it will not be popular with you or the establishment but it will be equitable and all it needs is a touch on the Inland Revenue's tiller.

Yours sincerely
